

Scandinavia and Milan in Melbourne

If Australia is to maintain its many competitive advantages as well as generate new ones for the 21st Century, we will have to be smarter, faster, more open to innovation and highly responsive to new trends and ideas and invest time and funds into our own capabilities.

Design Masterclass

Professor Arturo Dell'Acqua Bellavitis Milan

'08 ISS Institute/Victorian Government Design Fellow

Apart from being the director of the Milan Triennale Foundation and Exposition, Arturo Dell'Acqua Bellavitis has his own architectural and design practice in Milan, 'the heartland of modern Italian design'. He has a multidisciplinary approach to design as seen in his work for firms such as Twinings, Nestle, Renault and HGV. He is Head of Industrial Design, Interior Design, Textile Design and Fashion Design at Politecnico di Milano University in Milan, Italy. Professor Bellavitis works internationally, consulting, lecturing, and publishes books and articles.

Dry Stone Walling Workshop at 'Hanson'

Materials • Tools • Techniques for Contemporary and Heritage Settings

with David Long ISS Fellow

Melbourne

Join David on Friday 1 May 2009 for a hands-on one-day workshop. This special event will provide you with an opportunity to be part of a team to work on the construction of a section of dry stone wall.

Register Now • Only five places remain in the 1 May workshop.

Please note, the 2 May workshop is fully booked.

Sydney

Arising from the strong response to run the workshop in Sydney, together with David, we are investigating the feasibility of running the workshop in Sydney.

Call for Expressions of Interest

If you live in Sydney and environs and would be interested in attending David's workshop, please register your expression of interest upon receiving this newsletter.
